Letter from the Editor

Daphne and Daffodils, Bergenia and Cherry Blossoms. I am lucky to have a job that requires my presence in the garden on a daily basis. The Deepwood Gardeners and the City and the Lord and Schryver Conservancy are all hard at work rousing the garden from its winter slumber. We have two new trees in the Main Garden and many, many new native plants towards the nature trail.

We are also preparing for our busy season at Deepwood. Weddings, Garden Classes, Art and Exercise Classes along with our spring roster of teas. Why not try something different this spring — take a class that interests you or come join us for tea! Make sure to mark your calendars for our 5th Annual Garden Gala and Garden Wine and Food Festival. Happy Spring!

Very Truly Yours,

Lois Cole
