COME "HOME FOR THE HOLIDAYS" Celebrate this season of Sharing at Deepwood!

♪♪ Sleighbells ring, are you listening? Lights twinkling in the trees, a glow of polished silver, the sound of music and spicy fragrance of tasty treats it must be that time of year again!

During this holiday season we invite you to step away from the harried pace of modern life and journey "**Home for the Holidays**". Refresh your spirit and catch your breath as you tour Historic Deepwood Estate resplendent in holiday finery as only a Victorian home can be. With the many decorated trees, endless swags, ribbons, bows, and lights galore, Deepwood will truly be "decked out" for the holiday season.

Open House *Dec 11th 10-3; Dec 12th 1-4*

Our free community holiday open house has been expanded to two days so everyone can come for the fun! Highlights include children's activities, live music, treats, ... and more! Dig your period clothing out of the closet and come on down.

Community Food Drive *Dec 11th & 12th*

Lavish holiday meals are not possible for many in our community. In fact, many families struggle with regularly putting nutritious meals on the table. Deepwood will be holding a food drive during the community open house to benefit **Marion-Polk Food Share**. We encourage all guests to bring items from the "most wanted" food list and help make this a happy holidays for those in need. Foods needed most are: soup, chili, mac & cheese, cereal, peanut butter, tuna, canned fruit and vegetables, pasta sauce and pasta.

Volunteers

Join us in welcoming new interns **Hannah Elder** and **Song Yang**. Both are students at Willamette University. Yang will be with us for her one semester as an exchange student from China and Hannah will be here for the full school year. We are currently **seeking volunteers** for the Community Open House in December, especially Boy Scouts, Girl Scouts or other youth groups. At Deepwood we provide volunteer opportunities for adults and students. If you would like to volunteer, on a one-time or ongoing basis, please give us a call, 503-363-1825.

KITCHEN RESTORATION

I am very excited to announce the Deepwood Kitchen Restoration Project slated for completion in November. *I don't want to give away the all the details* BUT we'll be embracing a period in time when cherry red was a BIG deal and you could make pancakes right on your own stovetop! A wholesome period of time, mom would have cookies and milk waiting for you when you came home and **THAT'S ALL I'M SAYIN.'** You'll just have to visit to see for yourself. Karla Peterson and C & R Builders will be doing the work for Deepwood.

Letter from the Editor

If you are a member of the Friends of Deepwood, you already support us with your membership and attendance at our events. If you receive the newsletter or attend our events & are *not* a member, would you consider a membership or a year end donation to the Friends of Deepwood? For a *very* modest membership fee, you will be invited to early bird views of exhibits and receive special discounts while helping with operating costs & house restoration projects like the upcoming kitchen restoration! Your donation is a charitable contribution with tax benefits.

There are many ways we are able to offer our donors the opportunity to make a *permanent gift* to ensure future funding for our work. Through the Oregon Community Foundation (OCF), Deepwood is able to accept gifts such as securities, personal property, and real property. We are also able to offer our donors the option of making a planned gift that will ultimately benefit our endowment fund or a cash contribution to be added to the Deepwood Endowment Fund managed by OCF. Please call (503) 363-1825 to discuss how you can help build our endowment and support the future of Deepwood. Wishing you a Joyous and Healthy Holiday Season. Stop by and visit us!

Very truly yours, Lois Cole

Heritage Talks to Kick-off in January

Deepwood's Heritage Talks Series kicks off on January 20th with **Karla Petersen** presenting "Kitchen Restoration – Decisions to consider when restoring your period kitchen". Petersen, of Restoring History, LLC, will lead this conversation for those who HAVE restored a kitchen or INTERESTED in what it takes and use the restoration at Deepwood as a case study. This first of four presentations, all of which are *open to the public and free of charge*. Space is limited, call 503-363-1825 to guarantee your spot!

"Why restoration? Period homes and buildings should be preserved and restored because they are irreplaceable sources of timeless beauty. And because doing so conserves energy and resources that are often wasted by remodeling, or replacing, vintage structures which are generally superior in both quality and design to what is produced today." Karla Petersen
